

## Consultant

Grandin Solutions, a Cincinnati consulting firm specializing in accounting, finance, internal audit & risk, and technology, is seeking talented and enthusiastic Consultants. Grandin Solutions has a local market focus that allows Consultants to work with clients close to home in the Greater Cincinnati area. Please note that Grandin Solutions is not offering relocation at this time.

- Do you want to work for a firm where your business experience is highly valued?
- Do you enjoy working with large and mid-size public and private clients on challenging projects?
- Do you have a passion for client service and willingness to put client needs first?
- Do you want a dedicated sales team working for you so the next interesting project is waiting when the engagement ends?

Our people are the heart and soul of everything we do. They allow us to deliver on the promises we make to clients and to take care of the issues entrusted to us. We hire passionate problem solvers with the hearts of servants who want more out of a job than a traditional corporate role can provide. They want to constantly learn, grow, and help clients succeed as part of a high performing team.

Ideal candidates will have 3+ years of industry and/or consulting/ public accounting experience with two or more of the following skillsets:

- Corporate Accounting (Controller, Accounting Manager, Senior Accountant)
- SEC Reporting (CPA a plus)
- Operational/Cost Accounting
- Finance/FP&A (Finance Manager, Financial Analyst)

Attributes of Consultants include a dedication to superior client service and operational delivery, the ability to solve problems and to think in complex and changing situations, strong communication skills, and a commitment to helping Grandin Solutions grow in Cincinnati.
